INSURANCE: Advanced Gastroenterology & Hepatology Associates is contracted with most insurance plans. Our staff will make a good faith attempt to determine benefit levels and estimate any charges you may incur. However it is ultimately your responsibility to understand your level of coverage from your insurance company. It is your responsibility to supply us with appropriate billing information, which includes current insurance identification as well as the billing address and anything else required by your insurance carrier for payment of claims. It is your responsibility to be sure that your referral and authorization arrive prior to your visit. If you consent to receive medical services that are considered a "non-covered benefit", you will be held financially responsible for these charges. There may be a $25 administration fee if we need to re-bill an insurance claim because you provided incorrect insurance information. You will be responsible for payment of any co-insurance, co-payment, deductibles, or non-covered benefits, which will be due and payable within 30 days of receiving a statement. If not insured, payment is expected at the time of service. If you are unable to pay the full amount at that time, our billing department will work with you to establish a payment plan. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the physician and is not a substitute for payment. Please understand that this office can only code and file a claim for your visit(s) with a diagnosis encountered and documented in your medical record. Thus, to ask this office to change a diagnosis code solely for the purpose of securing reimbursement from your insurance carrier is inappropriate.

RETURNED CHECKS: If your check is returned for non sufficient funds, you could be liable for three (3) times the amount of the check or $100.00 whichever is greater, plus the face value of the check and any court costs. Our normal charges for a returned check are the check amount plus $55.00 to cover the bank return fees and administrative processing. Depending on the circumstance you may be required to pay cash for all future services if you have returned checks.
